

## “Happy Hats”

**Irène Fröhlich-Wiener** invented these lightweight ‘sculptures for your head’ - they are original and unique pieces made with Moos-Gummi.

The sculptress offers these “fascinators” at an introductory price of Fr. 70.- for those in her collection - but you can commission your personalised unique piece to suit you and your occasion.

Here some examples - each one signed and dated - and guaranteed to lift your mood and looks and turn any party into a fun event.
