

How to register for a Sculpture Network Event with Payment?

1. Go to the Event on <https://sculpture-network.org/en/our-events>
2. Select the Event to register, here the example "International Forum in Málaga".
<https://sculpture-network.org/en/event/50639/xv.-international-forum-in-m%C3%A1laga>
3. Please read the program, regard the event prices and the IMPORTANT INFORMATION

To benefit from the Sculpture Network member price you must log in to your member account on the Sculpture Network website. You can add one or two non-member persons during registration. Please keep in mind that the person you add is automatically calculated as a non-member so if your company is also a member he/she should log in to his/her account and register individually to be able to benefit from the Sculpture Network member price.

Regard the EARLY BIRD discount and the event related promotion code. In this example FORUM2023

4. If you are member go to the Login

Enter you registered email address and your password for the new Sculpture Network website.

Remark: This is a German screen because the language setting on Stripe is German. Usually, Stripe uses the preferred language you have chosen on the Sculpture Network website.

9. On the right please select one of the offered payment method and fill all mandatory fields. The telephone number is only requested if you like to use optional extra service to use a LINK account. Click on pay now. In most case you have to release the payment in a second step. This depend how your online banking transactions are set up related to the chosen payment method.
If one payment method does not work go back an select another offered one.
10. After the payment is done you are redirected to a new screen saying that the payment was successful . You find in your email inbox a registration confirmation by Sculpture Network and additional the payment receipt by Stripe and the invoice showing the payment details. Sculpture Network is looking forward to meet you on the event.
11. If you have any questions please use the Contact bottom in the footer on every webpage.
